

VAPS HCV Risk and Bureau Services Consent Form

To be completed when adding Risk Services to existing VAPS HCV Policies.

Client Name:
Policy Number: Risk Services to be added effective from:

VAPS HCV Risk and Bureau Services

VAPS HCV Risk & Bureau Service is a policy add-on that assists our clients with fleet control room activities backed by highly proficient hindsight, insight and foresight data analytics and reporting for the streamlining of a fleet operation. Dedicated fleet controllers assist with monitoring of vehicle movements, incidents, alerts and alarms and shares this real-time information with the VAPS Assist 24/7 Accident Centre. Our highly experienced fleet consultants interrogate and interpret vehicle data to provide the insights and actions needed for future cost reduction and operation improvement.
